Associate of Science in Airport Operations and Aviation Logistics

UOW
COLLEGE
HONG KONG
香港伍倫貢學院

Part of
**UNIVERSITY
OF WOLLONGONG
AUSTRALIA**

Introduction

This programme provides a balance of theoretical studies and practical training to prepare students for a career in aviation and logistics industry. It also nurtures the next generation aviation talents by providing professional knowledge and training in aviation, together with opportunities for participation in aviation related technical visits, study tours and internships. It also prepares students for degree studies both locally and overseas.
